Friends,

Luis Palau the Spanish speaking Christian evangelist will hold a crusade event in Oaxaca City Mexico on Friday and Saturday, November 14th & 15th. Many of you know Luis Palau as an evangelist to Spanish speaking people. He is very well know in Latin America, much as Billy Graham is in English speaking countries.

Please pray that many people in the state of Oaxaca will come to know the Lord through this festival. This is the first time Luis has come to Oaxaca. Also pray for those who make a commitment to God that Christians in the area will follow up with them to disciple the new believers.

Please pray for Christian revival for Oaxaca. This is a big event with many visitors to the city. Go to this website for more information.

Thanks for your prayers.
